CHUKWU UCHENNA

Frontend Developer

I am a dynamic, highly skilled Frontend Developer with a strong track record of creating innovative and impactful web applications. I am committed to continuous learning and seeking opportunities to collaborate with talented professionals on projects that make a meaningful impact. I am excited about the prospect of leveraging expertise to drive positive change and innovation in a collaborative, growth-oriented environment.

Employment History

Software Developer Intern at Preggify

June 2023 - February 2024

At Preggify I worked with the team to build Preggify.com dedicated to helping career-driven women achieve work-motherhood balance by providing flexible technology assisted mother and child friendly support services, and to create a world where career-driven women are not limited by the burden of pregnancy and childcare.
